 <p>FAITH • COMMUNITY • JUSTICE • RESPECT</p> <p><a href="http://www.loretto.org/">http://www.loretto.org/</a></p>	<p><b>8/1</b> In Service</p> <p><i>Next month launches the Season of Creation which we will be exploring together. I found this beautiful video to jump start our celebration!</i></p> <p><a href="https://rb.gy/a94t4">https://rb.gy/a94t4</a></p> <p>Please watch it! It is quite lovely.</p>	<p><b>8/2</b> In Service</p> <p><i>“Young people demand change. They wonder how anyone can claim to be building a better future without thinking of the environmental crisis and the sufferings of the excluded.” #13</i></p>  <p><a href="https://rb.gy/nzxkx">https://rb.gy/nzxkx</a></p>  <p><a href="https://rb.gy/52g54">https://rb.gy/52g54</a></p>	<p><b>8/3</b> In Service</p> <p><b>“The violence present in our hearts, wounded by sin, is also reflected in the symptoms of sickness evident in the soil, in the water, in the air and in all forms of life. This is why the earth herself, burdened and laid waste, is among the most abandoned and maltreated of our poor; she “groans in travail” (Rom 8:22). We have forgotten that we ourselves are dust of the earth (cf. Gen 2:7); our very bodies are made up of her elements, we breathe her air and we receive life and refreshment from her waters.” #2</b></p>	<p><b>8/4</b> In Service</p> <p><b>“In some countries, there are positive examples of environmental improvement: rivers, polluted for decades, have been cleaned up; native woodlands have been restored; landscapes have been beautified thanks to environmental renewal projects; beautiful buildings have been erected; advances have been made in the production of non-polluting energy and in the improvement of public transportation. These achievements do not solve global problems, but they do show that men and women are still capable of intervening positively.” #58</b></p>
